# EcoRecipes

Dobla Kessel has a rain water reservoir for domestic hot water use only.

No use of pesticides.

## RENEWABLE RESOURCES

30%

of the electricity demand is supplied by solar panels in our production facility in Kessel, Belgium.

The remaining 70% comes from other renewable energy sources.

## DIGITAL FOOTPRINT

Dobla uses more digital brochures than printed versions.

We only use energy saving lights and sensors in all our facilities.

## DOBLA PACIFIC PASTRY ACADEMY

Where all our employees in Vietnam learn:

the English language

hygiene regulations

to become chocolatiers

Isolation panels have been installed in the entire Vietnam facility.

In the production of Dobla decorations quality takes the highest priority. All of our employees are being trained on a regular basis on all quality matters and requirements. BRC, ISO 9001 and all other standards are integrated in the way of thinking of all employees. We are also able to produce Kosher under the supervision of the Rabbi.

Since 2010 Dobla is UTZ certified. As a certified buyer, Dobla supports better business practices, a better environment and a better life for cocoa farmers. In case you would like more information regarding our certificates, please contact our quality department (qa@dobla.com). They will help you with all your questions related to this subject.

All of Dobla's quality certificates are up-to-date on our website. Please download them there.

Dobla is co-founder of:

BAC has created a special line of products to give a boost to the bakery industry and herewith supports the foundation Against Cancer.

### RAW MATERIALS

Dobla buys raw materials from UTZ certified suppliers and insures good working conditions for their employees.

Together with the local authorities in Vietnam, Dobla has installed a treatment system for waste water.

Dobla supports an orphanage in Vietnam.

### RECYCLED MATERIALS

# 100%

of the plastic and paper/cardboard waste is recycled

And all our packagings are made of recycled material.

No waste of chocolate in our production facilities.

### TRANSPORTATION

Dobla Asia will directly serve local markets for a faster and more efficient supply chain.

This means a great reduction of CO<sub>2</sub> emission.

### HYBRID

All new corporate cars are hybrid cars.

Dobla supports a cacao plantation and an orphanage in Vietnam.
