

DOBLA'S SPECIAL COLLECTION 2024

# *Playful Indulgence*

CREATING  
CHOCOLATE EXCITEMENT

# Trends & Concepts

It is our passion to make your culinary creation look even more exciting with our refined chocolate decorations.

For this Special Collection, we have looked at the key consumer trends and identified two main concepts: 'Pure Elegance' and '**Playful Indulgence**'. These concepts are respectively linked to the 'Affordable Luxury' and 'Escapism' trends.

Consumers are increasingly looking for feel-good moments to balance the external influences they face daily. Refinement and elegance can make a culinary creation look like an affordable luxury in the eyes of today's consumers.

Escapism is mainly about creating mood-lifting food products that are playful, colourful, cute, and also products that feel familiar yet modern: the so-called 'Newstalgia' trend. This really allows consumers to escape in a moment of indulgence.

With the inspiration and our creations in this Special, we aim to help you benefit from these latest consumer trends.

If you have any ideas or questions, please do not hesitate to contact us.
